

Mt. Hope Approved Missions Budget 2019-2020

Because of the Mt. Hope's generosity, the Missions Committee was able to add an additional ministry to our support list and increase the number of available grants for members who would like to go on a mission trip next year. The committee gave priority to efforts that fall within the categories of 1) Church Planting, Life and Growth, 2) Impoverished or Devastated Communities, and 3) Orphan Care. The following list features supported missions and the amount of support for each mission.

Church Planting, Life and Growth (\$15,500)

Good News Productions International - \$3,400 We are very excited about being involved with GNPI! They are involved daily in global mission efforts around the world. They help people access the Gospel in their own language in a way they can understand. Last year Mt. Hope funded an episode of a marriage series telecast in India with a viewership in the millions. Please visit their web site, www.gnpi.org to see firsthand the wonderful work that they are doing.

Shiprock NM VBS - \$4,500 Every year a group of 15-25 members of the Mt. Hope family load up and head to Shiprock. They experience firsthand, the extreme poverty and resulting brokenness of the communities in and around Shiprock. In conjunction with the Church in Shiprock, they put on a VBS for the local children and a Bible class for the adults in the community. The impact on the local Church and community is profound.

Peace on Earth Ministries - \$2,800 This is the fourth year that we have been privileged to support PEOM. This mission effort is headed up by our very own Victor and Evelyn Knowles. Victor has preached the Gospel for over 50 years, literally, all over the world. He is a prolific author, releasing a new book just this summer. Victor publishes, One Body magazine quarterly, and his monthly Knowlesletter monthly. Evelyn is a frequent contributor to both. Talk to Victor about how you can receive copies of his publications, you will be blessed.

Darrell Memorial Bible Institute - \$2,400 This is a new ministry for Mt. Hope. You may remember the Missions Sunday visit from Prince Ugbe, the director of the Institute. Their efforts result in the equipping of many new evangelists for Nigeria and Cameroon. Our funds will help support their annual operations, which is about \$8,500.

Prince Ugbe - \$2,400 - Prince, the director of Darrell Memorial Bible Institute, currently lives on about \$500 monthly. Our \$200 additional monthly support for Prince will significantly increase the quality of life for him, his wife Regina, and their six children.

Impoverished or Devastated Communities (\$10,400)

Dan Keele - \$4,000 Dan is a preacher on the Navajo Reservation working with three different churches, Kinliche, AZ, Kayenta, AZ, and Many Farms, AZ, congregations. He also assists Phil James at the Hogback Church of Christ. Dan is a busy man, he is active in many benevolence

activities and is desiring to plant a church in Chinle, AZ. He and his wife Rose live in Chilchinbeto, AZ. It has only had electricity and running water for less than two years.

Terry Laurence - \$4,600 Terry is the preacher at the Ft. Defiance, AZ, church on the Navajo Reservation. Terry is also very active in the Navajo community holding Bible studies and classes in many sites throughout the reservation.

Souls Harbor - \$1,800 Linda Wilson, Ginger Coleman, and Scott Corner head up this effort. One evening each month they provide a meal to the homeless at Souls Harbor. The following evening, they conduct a devotion and prayer time at the Souls Harbor chapel. Many of our members participate in this effort. This is a great program that reaches the impoverished in our very own community with both a hot meal and the Gospel Message.

Orphan Care (\$10,150)

Breaking Chains Ministry – \$3,900 Amber Foster heads this ministry. She is a dynamic young lady who dedicated her life to helping the poor in a very chaotic city in Honduras. She cares for street people in Tegucigalpa, Honduras, and takes in children people who have no place else to go. This ministry has started a congregation of 125-150 in the very poorest section of the city. Many of these people are experiencing God's goodness for the first time in their lives.

Manuelito Children's Home - \$1,750 John Brown started working with the Manuelito Children's Home in Gallup, NM, several years ago. John along with several volunteers delivered much-needed supplies to the Children's Home. Volunteers have continued this good work and these funds are intended to defray the cost of securing and delivering goods.

Mexico Mission Trip - \$4,500 This is an annual mission trip taken the last week of May-First of June each year. Typically 20-30 youth and adults from Mt. Hope travel to Vida Nueva Ministries outside of Piedras Negras, Mexico. They work in construction on the campus and in the community. They are in the process of building a high school. They are the only non-Catholic private school in the entire country of Mexico. Check out their website. www.vnmi.org.

Special Needs (\$11,603)

Every year there are opportunities presented to the Missions Committee that were not anticipated. Many factors contribute to this fact. Civil unrest in supported communities, and countries, etc. Within this category we intend to fund, Tobey and Kathy Huff and their trips to Vanuatu, Doug and Donna Griffith and Erin Taylor in Honduras, as well as funding "Mission Grants" for our members and families who will be going on mission trips during the budget year. Special Needs funds are designed to be used across the three categories of mission efforts.
