Prayer

Please pray for both Paul and Dianne Starne with the after-effects of her surgery. Help, healing, and relief from the stress this causes.

Miriam: Thankful to feel better, steroid helped with swelling and pain. She is able to go back to work. Pray for financial recovery from loss of work and for the MRI on 11/23.

Shelley Welch: God is providing wisdom and doctors. I am trusting Him to provide financially and to heal me. Thank you for your prayers and encouragement! Surgery 11/29.

Campbell Family: Lord, please remove the brain tumor! Brett will have three more weeks of treatment in Columbia, MO. They travel up for a week at a time.

From Karsen Campbell: Brett undergoes both radiation and chemo each week. Pray the treatment works as it is supposed to. Pray that Brett can get into the clinical trial MD Anderson is offering!
