What to Expect

The Setting

Our church is like a family. Some dress professionally, others dress casually. Come as you are comfortable and we'll try our best to welcome you like family.

The Music

It is the tradition of our brotherhood of churches to sing acapella, or without instruments. Everyone is invited to join!

Communion or Lord's Supper

Communion is the central element of our weekly worship. We'll take unleavened bread and grape juice to remember the Crucifixion and Resurrection of Jesus. All Christians are invited to participate.

The Offering

After Communion, we'll pass a collection plate. Not everyone gives every week and many give online or by mail instead of placing money in the plate. As our guest, you are welcome to give if you'd like, but that is not expected. We do, however, ask that you drop a connection card in the plate so that we can stay connected with you.

The Sermon

Each week, one of our ministers will deliver a message from Scripture. We hope this message will encourage and challenge you (and us) to live more faithfully before God.

Discover and Deliver the Hope of Jesus

No matter your life situation or church background, we'd love to have you join us. The Hope of Jesus is available to everyone and we think everyone has a chance to deliver that hope to others.
